WWIDTIWBrave

"What Would I Do Today If I Were Brave?" Larry will entertain and inspire your audience as they learn a three-step formula that will empower them to *cross the line of bravery* daily. Begin to see yourself and those around you move quickly past limitations, achieve higher goals and accomplish more in less time. Imagine the confidence and increased performance your organization will experience when they ask themselves, What Would I Do Today If I Were Brave?"

The Secret of the Can

Imagine energizing and empowering your audience with a fast paced hour described as practical and easy to apply in our personal and professional lives. Larry's and his 30-gallon "Garbage Can" has inspired thousands to **no longer be distracted by the drama and the garbage of life**. Experience a passionate, fun and inspirational heart-felt message as Larry shares stories and insights from his book "Secret of the Can."

"Larry has a genuine way of transforming an entire school building. His vision, passion and pursuit of excellence in education are remarkable!"

Jack Canfield

Co-founder of Chicken Soup for the Soul
in the Classroom and The Success Principles™

Winning The Inner

Realizing which inner conversations hold us back from opportunities daily — is one of the most empowering moments we can experience. When you learn to setup your **inner game to win** you will begin to see the magic happen. Learn how to make your success quicker and easier.
